Great Results Guarantee

Snapshot report

Under the agreement for 2014
Rosella Park School received $26,890

Our full 2014 agreement can be found here: https://rosellapkspecs.eq.edu.au

Our school strategies are showing substantial progress toward our targets

After reviewing our Great Results Guarantee agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our strategies as needed to ensure every student succeeds.

Strategies implemented include:

• Whole of school 2 day training on Critical Communication strategies, conducted by Pyramid Educational Consultants.
• A school based decision to commit staffing to create a communication and Literacy Coach (not GRG funds) – TRS time was used to release teachers to work with this coach in a mentoring capacity.
• Individual staff attended professional development that was linked to building capacity for teachers and aides in the areas of communication development and technology. This professional development was targeted towards student participation in all learning programs.
• Audit of current resources conducted. Purchase of new resources to better address student needs in the classroom occurred.
• Employed a Speech Language Pathologist one day a week who worked closely with the Communication and Literacy coach to formalise individual communication systems for students.
• Communication coach attended intensive Literacy workshop. Following this he assisted us to begin embedding ‘Four Blocks Literacy’ programs into C2C SWD units of work.
• Select staff attended 2 Yumi Deadly Maths intensive professional development blocks at Queensland University of Technology. This has been introduced to staff and has been trialled in 2 classrooms.
